### Instructions

1. "Total tax valuation" includes the taxable value of all real property in the subdivision as indicated on the tax list most recently certified for collection and estimates of the taxable value of personal and public utility personal property for the first year the levy will be collected as set forth on the worksheets prescribed in conjunction with this form. If the subdivision is located in more than one county, the home county auditor (where the greatest taxable value of the subdivision is located) shall obtain the assistance of the other county auditors to establish the total tax valuation of the subdivision.
2. For purposes of this certification, "subdivision" includes any agency, board, commission or other authority authorized to request a taxing authority to submit a tax levy on its behalf.
3. "Levy type" includes the following: (1) additional, (2) renewal, (3) renewal with an increase, (4) renewal with a decrease, (5) replacement, (6) replacement with an increase and (7) replacement with a decrease levies.
4. Please file this certificate with the subdivision as soon as possible, so the taxing authority can pass a resolution to proceed not later than 90 days before the election.
